

Viewing WriteVue Classroom Report

The WriteVue Classroom Report will give you a thorough analysis of your students' writing performance on district diagnostics, including differentiation by proficiency band, band-specific instructional strategies, student resources for each domain, and a 5-day instructional plan.

After your students have begun submitting writing to a district-assigned prompt, log into your teacher account and click on the Reports tab and then WriteVue Classroom Report. Give the report a name, select one group, and select one assignment. The rubric will automatically generate based on the prompt set up by your district. If you have a green bar indicating there are 70% of students who have submitted the essay, you can click on it to generate the report. Our recommendation is to wait until 100% of your students have submitted the essay because you can only run the report one time.	WV WriteVue Classroom Report Create New Report 1.
